Overview Interior design, fit-out and furniture supply

Established in 1997, ADPS provide marine management & consultancy services to the gas & oil industry. Having grown the business from their premises in Plymouth City Centre, the company decided to invest in a new custom built 2 storey property at Langage Business Park. Karris were invited to provide creative ideas for their new offices, and using a combination of fully glazed partitioning, textured wall panels and contemporary furniture, the overall finish provides a light, airy and modern working environment in line with the original brief.
