

Mark Holt & Co, Plympton

Scope Branding, interior design & furniture supply
Sector Financial
Size 7,000 sq ft

Overview Re-branding, interior design, space planning & furniture supply over 2 floors

When Mark Holt & Co outgrew their Plymouth waterfront premises, their biggest challenge was to locate and develop a premises with the wow factor on the inside. Ryearch developed the building, and Karris provided the interior designs, workplace branding & installation of new furniture across 2 floors of their new Langage based headquarters. The premises includes reception area, conference rooms, cafe style breakout area, open plan work areas & an impressive main lobby entrance area. Karris co-ordinated the installation alongside the main contractors to ensure that Mark Holt could occupy the premises in time for their official opening.
