

Positive Purchasing, Plymouth

Scope Fit-out and furniture supply
Sector Purchasing
Size 4,200 sq ft

Overview Furniture supply, lighting design and installation, data & electrics

Positive Purchasing appointed Karris to design the layout and source the furniture for their new premises in the Grade 2 listed building at Royal William Yard in Plymouth. With a brief to create contemporary and classic style we proposed the Core bench desk range and Barcelona style reception seating.

With a unique training room furniture solution and white steel storage the overall finish complements the unique surroundings.
