Overview Final fit-out, interior design & furniture supply

Founded in 1977, Clarity Copiers has grown into one of the largest independent distributors of digital copiers and printers in the UK. As part of their relocation to a purpose built premises in Newton Abbot, Clarity decided to appoint Karris to produce layouts, colour schemes and design ideas that promoted their corporate branding, and created a modern and professional environment to work in. Finishing touches included branded manifestation, artwork, accent lighting and a reception desk complete with backlit logo.
