

Thrifty Car & Van Rental, Exeter

Scope Refurbishment & furniture supply
Sector Vehicle rental
Size 20,000 sq ft

Overview Full refurbishment, interior design & furniture supply in dedicated new premises

Thrifty Car & Van Rental is one of the leading UK rental companies with over 16,500 cars & 4,500 vans & mini buses. From inception in 1971, Thrifty now operates from 100 locations across the UK, with its head office in Exeter. Realising that their premises were no longer suitable for an expanding business, a new 3 floor property at Matford Business Park was acquired and Karris were invited in at an early stage to discuss its potential. From that point forward, Karris worked alongside the board of Directors to detail every stage of the project, and handed over the newly refurbished building following a 6 month programme ending in June 2015.
