Scope Refurbishment & furniture supply
Sector Manufacturing
Size 4,000 sq ft

Overview Full refurbishment of engineering rooms & furniture supply

As part of the continued re-branding and upgrading of facilities worldwide, global technology group Invensys appointed Karris to redesign and refurbish the engineering rooms at their Plymouth facility.

In keeping with the corporate branding, the new open plan office features boldly painted columns and modern furniture to create a stylish and practical environment for the staff to work in.
